

CLASS MARINE
كلاس مارين

EXCLUSIVE DISTRIBUTOR
SAULEDA NAUTIC

ABOUT US

At Class Marine, the core business is providing boat owners with a full range of reliable and high-quality repair and maintenance services, from engine work to bodywork and electrical work, with their full-service, year-round boat facility, offering an all-inclusive range of marine services for all boating seasons. All of the boat repair and maintenance services are specially designed for the customers, providing them with a prompt and professional maintenance service they can trust. No matter what kind of work you want to do on your boat, rest assured that you will receive the best Classy service from us.

Class Marine is a Certified Mercury MerCruiser Service Center. Class Marine is also an official dealer of Sea Ray and Nimbus Boats in the UAE.

Class Marine is the exclusive distributor of the Sauleda Nautic marine fabrics in the UAE. The Sauleda Nautic product line is a series of marine luxury fabrics that gives the best results in multiple uses in the nautical sector. These fabrics are made to withstand the harshest marine conditions. Sauleda Nautic fabrics include multiple qualities and treatments to face the most demanding environments, guaranteeing an excellent performance.

At Class Marine, we value

VIP Treatment

A unique exclusive and VIP experience for every customer- boat owners and retail buyers (spare parts, accessories, nautical fabrics)

Quality Service & Perfection

Top-notch customer sales and services using only the best products available in the market

Speed

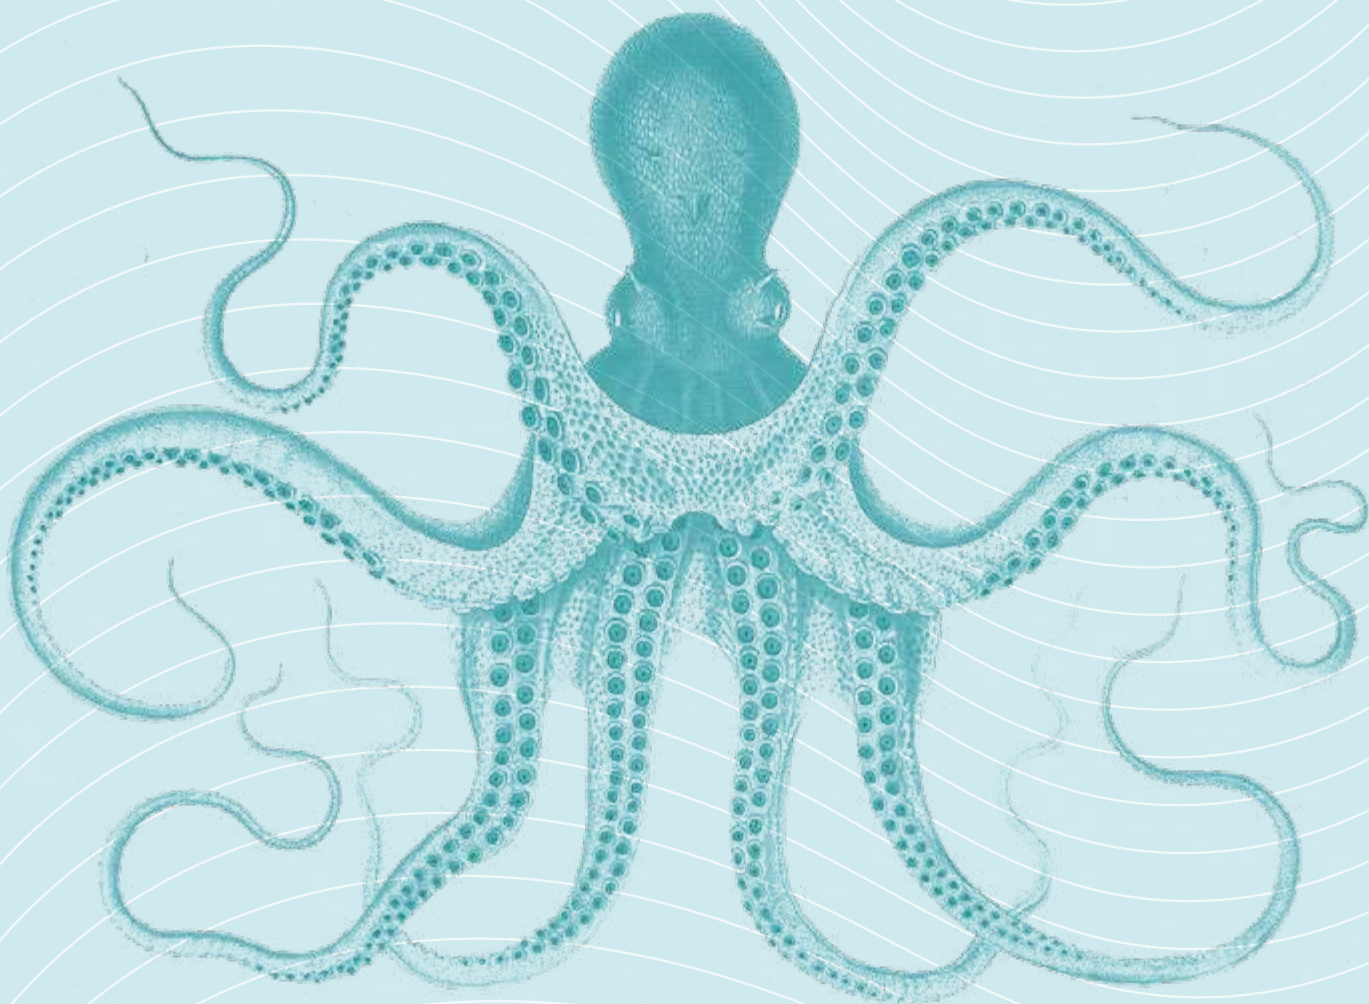

On-time services and deliveries without compromising quality

Duo

NAUTIC COLLECTION

Sauleda
since 1897

Duo

NAUTIC COLLECTION

The sea can be calm and safe or uncertain and rebellious. The natural appearance of Duo fabric makes it a perfect place to take refuge in a horizon that seems to have no end.

El mar puede ser calma y seguridad o incertidumbre y rebeldía. El aspecto natural del tejido Duo lo convierte en un lugar perfecto donde refugiarse en un horizonte que parece no tener fin.

Saulea
since 1897

Duo combines two excellent materials, acrylic and coated technical fabric, resulting in a reversible, two-sided fabric.

Fabric designed to withstand adverse weather conditions, it provides a natural appearance, pleasant touch, elegance, design, lightness and thermal comfort in any type of boat.

Its innovative finish provides excellent results: long life, high resistance to UV rays, solid colors and 100% waterproof. In addition, it eliminates condensation and incorporates a special antifungal treatment for marine environments.

Thanks to a specific surface treatment that allows very quick drying, its maintenance is extremely simple.

Duo combina dos materiales excelentes, acrílico y tejido técnico recubierto, dando como resultado un tejido reversible, de dos caras.

Tejido diseñado para soportar condiciones climáticas adversas, aporta un aspecto natural, tacto agradable, elegancia, diseño, ligereza y confort térmico en cualquier tipo de embarcaciones.

Su innovador acabado proporciona excelentes resultados: larga vida, elevada resistencia frente a los rayos UV, colores sólidos y 100% de impermeabilidad al agua. Además, elimina la condensación e incorpora un tratamiento antihongos especial para entornos marinos.

Gracias a un tratamiento específico en superficie que permite un secado muy rápido su mantenimiento es extremadamente sencillo.

MASACRIL

NAUTIC COLLECTION

Sauleda

1897

MASACRIL

NAUTIC COLLECTION

Masacril is the fabric designed for boaters, whose paths pass through the sea and make it their home.

Manufactured in two different qualities, Normal and Special, this is a collection of high-end acrylic fabrics with the highest performance in the nautical sector.

Masacril es el tejido diseñado para navegantes, cuyos caminos transcurren en el mar y hacen de él su hogar.

Fabricado en dos calidades, Normal y Special, es la colección de tejidos acrílicos de alta gama con el más alto rendimiento en el sector náutico.

Sauleda

1897

Masacril has excellent properties: long life, great resistance to UV radiation, permeability to air, and water tightness, anti-mold properties, light weight, ease of maintenance and solution dyed acrylic fabric make it the best choice for your nautical adventures.

Masacril presenta unas excelentes cualidades: larga vida, elevada resistencia frente a los rayos UV, permeabilidad al aire, impermeabilidad al agua, antimoho, ligereza y fácil man-tenimiento. Todo ello, unido a la fibra acrílica Masacril® tintada en masa, lo convierte en el tejido náutico por excelencia.

Finishes/ Acabados

Masacril Normal

These fabrics have extra water repellence, without detracting from their breathable qualities.

Las lonas Sauleda Masacril aumentan su repelencia al agua sin perder transpirabilidad.

Masacril Special S

The special resin-coated finish provides the fabric a series of properties and a resistance of higher than 1.000 mm.

El acabado especial proporciona a las lonas Masacril Special unas cualidades y una resistencia superior a 1.000 mm.

Harmony

NAUTIC COLLECTION

Navigation means freedom and adventure but it can also involve elegance and sophistication. Live it all with Harmony, the premium vegan leather from the Nautic Collection.

El mar es libertad y aventura pero también puede ser elegancia y sofisticación. Vívelo todo con Harmony, el cuero vegano premium de la Colección Nautic.

Saulea
since 1897

Harmony is the new synthetic vegan leather whose finish gives a pleasant and soft touch. Its quality, durability and resistance is excellent over time.

Much of its multiple applications are concentrated in upholstery for all types of surfaces of any boat. Its innovative finish provides excellent qualities and behavior in marine environments.

All Harmony colors have their equivalent in the Sea Star collection.

Harmony es el nuevo cuero vegano sintético cuyo acabado otorga un tacto agradable y suave. Su calidad, durabilidad y resitencia es excelente con el paso del tiempo.

Gran parte de sus múltiples aplicaciones se concentran en tapicería para todo tipo de superficies de cualquier embarcación. Su innovador acabado proporciona unas cualidades y un comportamiento inmejorable en entornos marinos.

Todos los colores Harmony tienen su equivalencia en la colección Sea Star.

MAINTENANCE

- Eliminate the dirt by gently brushing or vacuuming the fabric.
- Occasionally use a water and soft soap solution to clean the fabric (max. 30°C).
- Apply to the fabric and then rinse with running water.
- Let the fabric dry completely.
- Do not use solvents or abrasive detergents.

The 5 year warranty covers abnormal deterioration of the fabric fiber and colour and takes effect from the date of installation, provided there is normal exposure to the sun and atmospheric agents in general. Please consult the warranty terms on www.sauleda.com

MANTENIMIENTO

- Eliminar la suciedad mediante cepillado o aspirado suave de la lona.
- Esporádicamente utilizar una solución de agua y jabón neutro (max 30°C).
- Aplicar sobre la lona y posteriormente aclarar con abundante agua.
- Dejar secar totalmente la lona.
- No utilizar disolventes ni detergentes abrasivos.

La garantía de 5 años cubre un deterioro anormal de la fibra y el color de la lona y empieza a contar desde la fecha de su instalación, siempre que exista una exposición normal al sol y a los agentes atmosféricos en general. Consulte los términos de la garantía en www.sauleda.com
